

Environmental Planner

—Charlotte (NC)—

Mead & Hunt, a nationally recognized professional services consulting firm, has a full-time position available for an environmental planner. Responsibilities include NEPA documentation and environmental permitting for DOT projects; preparation of environmental assessments, permit applications, biological assessments, jurisdictional determinations, mitigation planning; and agency coordination. Travel will be required.

The successful candidate will have a bachelor's degree (or higher) in environmental sciences, biology, forestry, planning or relevant degree and at least two years of relevant experience.

The ideal candidate will have experience with any/all of the following: preparation of NEPA documentation and wetland permits; SCDOT Environmental Management Office procedures; ESRI ArcMap software; technical writing; wetland delineation and protective species surveys in SC and NC; environmental transportation projects; NCDOT environmental projects. Certification through the American Institute of Certified Planners (AICP) is also desired.

If you have strong communication and organizational skills, are self-motivated, and can work well both independently and as part of a team, complete the online application process for this job posting at www.meadhunt.com/careers OR submit your cover letter and resume (and the pdf application if possible) to the address below. The deadline to apply for this position is **Thursday, October 11, 2018**. Interviews are awarded on our review of your ability to meet the qualifications in the paragraphs describing the “successful” candidate and “ideal” candidate, **so be sure to explain where indicated in the online application (or in your COVER LETTER, not just in your resume, if you are applying by mail) how you meet each qualification listed in the paragraphs above.** Mead & Hunt will not sponsor a visa (H-1B, etc.) for this position.
